**PASSOVER NISAN 15<sup>TH</sup>, FRIDAY NISAN 16<sup>TH</sup> AND THE WEEKLY SABBATH NISAN 17<sup>TH</sup>**

The lonely precincts of the tomb gave Jesus a refuge from his foes, a place in which to solve the great problem of being. His three days' work in the sepulchre set the seal of eternity on time. He proved Life to be deathless and Love to be the master of hate. He met and mastered on the basis of Christian Science, the power of Mind over matter, all the claims of medicine, surgery, and hygiene.

His disciples believed Jesus to be dead while he was hidden in the sepulchre, whereas he was alive, demonstrating within the narrow tomb the power of Spirit to overrule mortal, material sense. There were rock-ribbed walls in the way, and a great stone must be rolled from the cave's mouth; but Jesus vanquished every material obstacle, overcame every law of matter, and stepped forth from his gloomy resting-place, crowned with the glory of a sublime success, an everlasting victory.

Our Master fully and finally demonstrated divine Science in his victory over death and the grave. Jesus' deed was for the enlightenment of men and for the salvation of the whole world from sin, sickness, and death. Paul writes: "For if, when we were enemies, we were reconciled to God by the [seeming] death of His Son, much more, being reconciled, we shall be saved by his life." Three days after his bodily burial he talked with his disciples. The persecutors had failed to hide immortal Truth and Love in a sepulchre. – Mary Baker Eddy
