

## Fibroid Tumor Healed in a Few Days

My gratitude for Christian Science is boundless. I was afflicted with a fibroid tumor which weighed not less than fifty pounds, attended by a continuous hemorrhage for eleven years. The tumor was a growth of eighteen years. I lived in Fort Worth, Tex., and I had never heard of Christian Science before leaving there for Chicago in the year 1887. I had tried to live near to God, and I feel sure He guided me in all my steps to this healing and saving truth. After being there several weeks I received letters from a Texas lady who had herself been healed, and who wrote urging me to try Christian Science.

Changing my boarding-place, I met a lady who owned a copy of Science and Health, and in speaking to her of having seen the book, she informed me she had one, and she got it and told me I could read it. The revelation was marvelous and brought a great spiritual awakening. This awakened sense never left me, and one day when walking alone it came to me very suddenly that I was healed, and I walked the faster declaring every step that I was healed.

When I reached my boarding-place, I found my hostess and told her I was healed. She looked the picture of amazement. The tumor began to disappear at once, the hemorrhage ceased, and perfect strength was manifest. There was no joy ever greater than mine for this Christ-cure, for I was very weary and heavy laden. I thought very little of either sleeping or eating, and my heart was filled with gratitude, since I knew I had touched the hem of his garment. I must add that the reading of Science and Health, and that alone, healed me, and it was the second copy I ever saw.
