

Grateful for Many Blessings

In the year 1901, Christian Science found me a hopeless invalid. I had suffered for seven years previous with a very painful back, the result of an operation. I could get no rest or sleep at night, as I could not lie down, but had to sit propped in a chair with pillows around me. Only those who have suffered as I did can know the full misery of it. I had come to the end of material means and never hoped to get well.

One day, however, while out walking, it was my good fortune to come to a Christian Scientist's house, and there the teaching was explained to me. I was advised to buy Science and Health, which I did, and the study of this book has healed my back entirely. Christian Science has also cured me of long-standing catarrh of the throat, and neuralgia with which I had been afflicted from childhood.

Before coming into Science I had doctored with three of the best physicians in Seattle, but none could give me relief. I am no longer a sufferer, but rejoice exceedingly in Christian Science. God's promise has been fulfilled to me, " But unto you that fear my name shall the Sun of righteousness arise with healing in his wings."
