

Relief from Intense Suffering

I became interested in Christian Science in 1901. For four or five years I had suffered with severe attacks which nothing but an opiate seemed to relieve. After one which I think was the worst I ever had, I consulted our family physician, who diagnosed my case as a dangerous kidney disease and said that no medicine could help me but that I must undergo a surgical operation. I continued to grow worse and went to see the physician again, and he advised me to consult a doctor who was connected with the city hospital of Augusta. This doctor made an examination and diagnosed the difficulty as something different but quite as serious. Meanwhile a friend offered me a copy of Science and Health. I said I did not care to read the book, but she was so urgent that I finally promised to do so. I received the book on Saturday, and on Sunday morning I sat down to read it.

When I reached the place where Mrs. Eddy says she found this truth in the Bible, I began comparing the two books. I read passages which looked very reasonable to me, and said to myself, This is nearer to the truth than anything I have ever seen. I continued to read all day, stopping only long enough to eat my dinner. As I read on, everything became clearer to me, and I felt that I was healed. During the evening a neighbor came in, and I said, "I am healed, and that book has healed me." I read on and was certainly healed. Eight days after my healing I did my own washing. This occurred in February, 1901. About six weeks after, I was called to care for my mother, who was under the care of my former physician. I again let him examine my side, as he wished to see if the trouble was still there. He said, "It is certainly gone." I said to him, "Doctor, you told me I would never be a well woman unless I was operated upon; what has healed me?" He replied, "God has healed you."
