

## Grateful for Many Blessings

It is with sincere gratitude for the many blessings Christian Science has brought me, that I give this testimony. I first heard of Christian Science about fifteen years ago. A friend of mine was taking treatment for physical troubles, and was reading the textbook of Christian Science, *Science and Health with Key to the Scriptures*. The title of the book appealed to me very strongly. I said to my friend, "If that is a Key to the Scriptures, I must have it."

I had long been a member of a Bible class in an orthodox Sabbath school, but I never felt satisfied with that which was taught; there was something lacking, I did not understand then what it was. I purchased a copy of *Science and Health* and began to study it. I wish I could express in words what that book brought me. It illumined the Bible with a glorious light and I began to understand some of the Master's sayings, and tried to apply them.

I had had a longing to live a better Christian life for many years, and often wondered why I failed so utterly to understand the Bible. Now I knew; it was lack of spiritual apprehension. I did not know at first that people were healed of disease and sin by simply reading *Science and Health*, but found after a while that such was the case. At that time I had many physical troubles, and one after another of these ills simply disappeared and I found that I had no disease, I was perfectly free. The spiritual uplifting was glorious, too, and as I go on in the study of this blessed Science, I find I am gaining surely an understanding that helps me to overcome both sin and disease in myself and in others. My faith in good is increased and I know I am losing my belief in evil as a power equal to good. The pathway is not wearisome, because each victory over self gives stronger faith and a more earnest desire to press on.
