

Rupture and Other Serious Ills Healed

When I took up the study of Christian Science nearly three years ago, I was suffering from a very bad rupture of thirty-two years' standing. Sometimes the pain was so severe that it seemed as if I could not endure it. These spells would last four or five hours, and while everything was done for me that could be done, no permanent relief came to me until I commenced reading Science and Health with Key to the Scriptures.

After I had once looked into it I wanted to read all the time. I was so absorbed in the study of the "little book" that I hardly realized when the healing came, but I was healed, not only of the rupture, but also of other troubles, inflammatory rheumatism, catarrh, corns, and bunions. I would never part with the book if I could not get another. I am seventy-seven years old, and am enjoying very good health.
