

Mother and Daughter Healed

When Christian Science came to me, I had been taking medicine every day for twenty years, on account of constipation. I had been treated by doctors and specialists; had taken magnetic treatments and osteopathy; had tried change of climate; had an operation in a hospital, and when I came out was worse than before. I was so discouraged, after I had tried everything I ever heard of, and was no better but rather grew worse, that it seemed as though I must give up trying to get well, when a friend suggested that I try Christian Science. I had heard that Christian Scientists healed by prayer, and I thought this must be the way Jesus had healed. I felt that this was all there was left for me to try. I sent for the book, *Science and Health*, and commenced to read it out of curiosity, not thinking or knowing that I could be helped by the reading, but thinking I must still take medicine and that I must also have treatment by a Scientist. I, however, dropped my medicine and read for three days; then a light began to shine in the darkness.

I was healed of the trouble and have never had to take medicine since. I have studied *Science and Health* faithfully ever since, and other ailments have disappeared. My little daughter has also been healed and has learned to use this knowledge in her school work.
