

Kidney Disease and Eye Trouble Healed

Early in 1904 I was teaching in a private boarding-school. I was a very unhappy, discontented woman; I had kidney disease, besides sore eyes, and my general health was very bad. The doctor said that the climate did not suit me, and that I certainly should have a change. The best thing, he said, was to go back to France (my own country); but I did not like to leave the school, so I struggled on until July, when we went travelling for a month, but I came home worse than ever. I had a lot of worry, one disappointment after another, and I often thought that life was not worth living. In September, 1904, we heard for the first time of Christian Science through a girl who was attending our boarding-school, and who was healed through Christian Science treatment.

We bought the textbook, "Science and Health with Key to the Scriptures" by Mrs. Eddy, and what a revelation it was and is to us; it is indeed the fountain of Truth. I had read Science and Health but a very short time when I took off my glasses, began to sleep well, and soon found myself well in mind and body. Besides this, it has brought harmony into our school, where there had been discord, and everything is changed for the better. I cannot describe the happiness that has come to me through Christian Science; I can only exclaim with the psalmist: "Bless the Lord, O my soul;" and may God bless Mrs. Eddy.

My one aim now is to live Christian Science, not in words only, but in deeds; loving God more and my neighbor as myself, and following meekly and obediently all our Leader's teachings. Words cannot express my gratitude to Mrs. Eddy for Christian Science.
