

## Prejudice Overcome

I became interested in Christian Science somewhat over three years ago when in much need of help. I had never been strong, and as I grew older I grew weaker and at last became so ill that life was a burden to me. Science and Health by Mrs. Eddy was sent to me, in answer to prayer, as I thought. I was a little afraid of all these new fads, as I thought them, but I had not read far before I felt that I had found the truth which makes us free. I was healed of stomach trouble, inward weakness, and bilious attacks.

One physician said I might have to undergo an operation before I could get well, but, thanks to this Truth, I have found that the only operation needed was the regeneration of this so-called human mind by learning to know God. In many cases I have been able to help myself and others.

Words cannot express my thanks to Mrs. Eddy, and to all who are bringing these great truths to the help of the whole world.
