

Healed After Much Suffering

A testimony given in the Journal led me to investigate Christian Science, and I hope in return to be the means of leading some one else to see the beauty of this saving truth, and to learn to know God aright and man's relationship to Him. I know from experience that it is prejudice and misapprehension of what Christian Science is, that keeps many from enjoying the blessings it bestows.

I had been taking patent medicines for several years, and had been to one of the best sanitariums in this country, but was not healed, although I received some benefit, for which I shall always feel grateful, for I know the physicians did all they could for me. I sometimes thought I had exhausted all remedies, but did not give up, for I felt there must be something to heal me if I could find it. When in this state of mind Christian Science came to my notice, and after reading several *Journals*, I purchased a copy of *Science and Health*. I read for several days at odd times. I commenced to improve, and in about a week I was healed of most of my ills, among which were dyspepsia and nervous debility.

Although I had heard about Christian Science before, I had never heard that the reading of the Christian Science textbook had ever effected the healing of anybody. I commenced reading to find out what Christian Science was, but was surprised to find myself improving, and was soon assured that it was the theology of *Science and Health* that healed me, just as it was the theology of Jesus that healed the sick.

It has also proved to me that there can be no Christian Science Church that does not heal the sick and sinful, for healing follows as the natural result of the teaching of Christian Science. The Bible has become a new revelation to me, and I can read it much more understandingly by the light received through the reading of *Science and Health*.
