

Healed of Bright's Disease

August 18, 1902, I was taken down with what three doctors pronounced Bright's disease, and they stated that I would not live a year, or if I did succeed in living longer, I would be mentally unbalanced. On December 6, 1902, my wife presented me with Science and Health as a birthday gift, and it was indeed the best present I ever received. Since that time I have been reading it and attending the Second Church here. I have not used any medicine since, nor has any one in our home. I am in the finest of health and have lost all my bad habits. This truth has brought a great spiritual uplifting to all of us, and words cannot express my gratitude to Mrs. Eddy and to all who have helped me to the same.
