

## A Grateful testimony

"Thy word is a lamp unto my feet, and a light unto my path." This has been proven to me in every way.

When Christian Science came to me, I was a wreck, physically, mentally, and financially; but since the reading of Science and Health turned my thought toward the light, I have found that, as far as I am willing to receive the word and live it, all comforts are supplied me. I am especially grateful for the spiritual help. I know that things which I did and thought last year I would not do or think this year, and am satisfied. Through the careful and prayerful study of Science and Health I have been lifted from sickness to health, from sorrow to peace, from lack to plenty, and, the most beautiful of all, from darkness to light.
