Q - drops pierced the veil from day one. Drop #133: "What is 'human trafficking'? How prevalent is it? Who is the target? Who has the power to stop it? Who has the power to expose it? Who has the power to cover it up?"

THEY KNEW. WE KNOW. PRESIDENT TRUMP ACTED.

The cabal – Clintons, Hollywood elites, globalist puppets – built an empire on innocent blood. Pizzagate wasn't a joke; it was the map. Comet Ping Pong's hidden codes: "Pizza" for kids, "Hot Dogs" for boys, "Pasta" for girls. Podesta's emails leaked the symbols. Wikileaks dropped the hammer, but the deep state scrubbed it.

DROP #916: "These people are sick."

Sick? They're demons. Epstein's island wasn't a vacation spot – it was a trafficking hub for the elite. Flight logs name them: Bill Clinton 26 times. Gates. Prince Andrew. Hollywood's "stars" flew in, kids flew out. Adrenochrome harvested from terrorized children to keep the cabal "young."

Q Drop #1331: "The 'cult' runs deep."

THEY THOUGHT THE PANDEMIC WOULD HIDE IT.

2020 chaos? Cover for border floods. Unaccompanied minors – 300,000+ vanished. HHS complicit, handing kids to traffickers in 15-passenger vans. Cartels luring pregnant women for forced C-sections, selling newborns on black markets. DNI Gabbard just exposed it: "Insidious baby trafficking by cartels – luring, cutting, cashing in."

Q DROP #4904: "All [3] movies playing simultaneously?"

Guardians of the Pedophiles. Panic in D.C. FISAGATE. It's syncing now. P. Diddy raids? Epstein 2.0. Oakland Mayor's FBI bust? Just the tip. Over 600,000 sealed indictments swelling. President Trump's EO on trafficking? Still live – 1000+ kids rescued in stings last month alone. The Cabals pedo rings crumbling. Hollywood's dead.

THEY INFILTRATED #SAVETHECHILDREN TO DISCREDIT US.

Fake news calls it "conspiracy." But Q woke the world. Rallies exploded because patriots saw the truth: Deep state runs the \$32 billion industry. USAID, ActBlue, banks – money-laundering pipelines to cartels. President Trump's wall? To stop the flow of children. They mocked it. Now they're terrified.

DROP #764: "Systematic destruction of the old guard."

Nothing's forgotten. Franklin Coverup. The Finders. CIA's MKUltra twisted into child experiments. Ted Gunderson's warnings: Satanic rituals at elite levels. FBI, CIA, Homeland – all in the logs. President Trump drained the swamp!

PATRIOTS YOU'RE THE ARMY. WWG1WGA.
