

ARCHBISHOP VIGANÒ JUST DROPPED A NUCLEAR TRUTH BOMB

When a senior Catholic Archbishop — a former Apostolic Nuncio to the United States — openly accuses global elites of infiltrating Western governments to impose Agenda 2030... the world should stop and listen.

Viganò warns:

“A dangerous subversive elite has infiltrated the highest levels of Western institutions to implement a criminal global plan.”

He says those who expose this “global coup” are silenced through:

- Censorship
- Intimidation
- Psychiatric abuse
- Arrest

And he names a political prisoner the mainstream refuses to talk about:

Rainer Füllmich — imprisoned for the crime of telling the truth.

Then Viganò goes further than almost any church figure in our lifetime:

“It is not Füllmich who belongs in prison, but those who committed the greatest crime ever against humanity.”

And he names them:

Fauci

Gates

Schwab

Soros

von der Leyen

Bourla

...and their accomplices in public office.

This is unprecedented.

A senior Archbishop accusing the globalist power structure of crimes against humanity — and calling the emerging system what it is:

A totalitarian regime spreading across Europe, Canada, Australia and every nation controlled by the UN, NATO, WHO and WEF.
