

NOTE TO PREFACE

This book was produced from the original compilation of five works by Christeen Anderson, *The Beauty of Holiness*, *The Design of God*, *The Church Manual: Yesterday—Today—Forever*, *The Great Deception*, and *Science Obscured*, under the same title. As such each work has its own Table of Contents and is paginated within that specific work. You will find them laid out in the order shown in the Preface with an Epilogue following.

Preface

After the passing of Mary Baker Eddy, December 3, 1910, there has been a systematic plot to wipe out the glorious legacy that was left for “any sincere seeker of Truth.” Christian Science has been so adulterated that, at this point in time, it holds very little resemblance to the rules and system left to us at her passing.

This compilation of treatises gives a glimpse of the symbols that have been obliterated over the years.

The following excerpts are from an article published in *The Christian Science Journal* of July 1892, titled “Hints for History,” now found in *Miscellaneous Writings*, pages 139-142. This article was written shortly before the church was reorganized September 1, 1892.

“...The foundation on which our church was to be built had to be rescued from the grasp of legal power, and now it must be put back into the arms of Love, if we would not be found fighting against God.

“The diviner claim and means for upbuilding the Church of Christ were prospered. Our title to God's acres will be safe and sound — when we can “read our title clear” to heavenly mansions. Built on the rock, our church will stand the storms of ages: though the material superstructure should crumble into dust, the fittest would survive, — the spiritual idea would live, a perpetual type of the divine Principle it reflects.”

The compiler now presents a short synopsis of each thesis included in this compilation.

- **The Beauty of Holiness**

A treatise, stating the facts fairly and honestly, concerning the changes made to Mary Baker Eddy's words and works. Original documents substantiate these statements.

In this treatise the student will find these subjects covered:

The Writings of Mary Baker Eddy

Changes in *Science and Health with Key to the Scriptures*

Changes in the *Church Manual of The First Church of Christ Scientist, in Boston, Mass.* from 1910 to 1975

The Church Buildings of Mary Baker Eddy

The symbolism of the Original Church Edifice

The symbolism of the Extension of The First Church of Christ, Scientist

A separate 23-inch by 23-inch floor plan of the original church edifice indicates the symbolism of the structure. This includes windows and their explanations, inscriptions, and the symbolic descriptions given in the *Christian Science Journal*, January 1895.

- **The Design of God**

A thoroughly documented work on the divine design of *Science and Health with Key to the Scriptures* by Mary Baker Eddy. The compiler carefully chronicles the changes made by the church to *Science and Health* after Mrs. Eddy left in December of 1910. Also illustrated is how this unauthorized corruption of the sacred textbook serves to diminish and obscure the inspired revelation Mrs. Eddy labored to give mankind.

- **The Church Manual: Yesterday—Today—Forever**

The compiler applies a factual research approach to understanding the ramifications of the changes made to the *Church Manual* since Mrs. Eddy left us in 1910. There are 54 changes. This concise book will educate and prompt the student of Christian Science to ponder our Leader's instructions left for our benefit and that of her church.

- **The Great Deception**

This exposé reveals to the reader the conspiracy that transpired in the days, immediately preceding and those after, Mrs. Eddy's passing. The original documentation, which is quoted in the paper, is included. This chronological exposé reveals the truth of the events in a way never before presented.

- **Science Obscured**

This publication gives the reader documented proof of the current and past activities perpetrated on the branch churches and the Christian Science Textbook. This includes the letters from the meeting of five departments of the Mother Church in Houston, Texas. This meeting was held July 20-25, 2000. Held two years ago, how much of what is revealed in the notes is now being carried out?

- **Epilogue**

Christ Jesus statement from John 8:32

“And ye shall know the truth,
and the truth shall make you free.”

is the authority and blessing for this compilation.
