- ⁵ The only change that occurred between the last edition of the 1910 Science and Health with Key to the Scriptures and the 1911 Science and Health with Key to the Scriptures was that Mary Baker Eddy's picture and signature were removed from the 1911 edition. There was no change of the text. This issue will not be addressed in this document.
- ⁶ Extract from an affidavit by Mrs. Mary Spaulding in regards to a conversation she had with Professor Albert Einstein. Mrs. Spaulding was the wife of the famous violinist Alfred Spaulding and was the Reading Room librarian for Fifth Church in New York City. Professor Einstein was a frequent visitor to this Reading Room and often had conversations with Mrs. Spaulding.
