Letter of 1920 by Mr. T. J. Hampton, C. S.

Systematic destruction of Mary Baker Eddy's original textbook and publications

"Science Obscured" by Mrs. Jean W. Scott, August 1954

The following sections pertain to three separate accounts from individuals who attended the meeting held by the department now known as The Writings of Mary Baker Eddy, in Houston, July 20-25, 2000.

Correspondence regarding state Committee on Publication for Georgia:

1. State committee's letter to a few friends, exposing the errors of the Houston meeting
2. A second letter from the state Committee for Georgia after he was disciplined for writing the first letter
3. A formal circular letter from the state Committee for Assistant Committees in Georgia, announcing his dismissal
4. A letter from the First and Second Reader in the Decatur, Georgia, church, explaining their actions against the state Committee (Note: Fawn Griffith, First reader, is the daughter of Don Griffith, the newly appointed Committee on Publication.)

A fourteen-page report written by another Committee on Publication who attended the July meeting in Houston.

A brief report by "another concerned Mother Church member who was invited to and attended the Houston meeting."

Closing statement

All or any of this material may be shared
(Above statement printed on letter packet from
the compiler of letters regarding Houston meeting.)
