

The Law of Divine Impulsion

accent on: origin - source - creator - Life

Life	Truth	Love
<p>The One subjective Being is revealing</p> <p>The One subjective Being is impelling</p> <p>Being is projecting, expressing</p> <p>spontaneous creative impulsion</p> <p>divine thrust</p> <p>“Let there be”</p>	<p>the entirety of it being</p> <p>all that it is</p> <p>all that is right & true</p> <p>bringing forth B’s divine intension</p> <p>bringing out true form</p> <p>“and it is made” factual</p>	<p>fulfilling its intention</p> <p>in a goal directed teleological plan</p> <p>with a predetermined aim</p> <p>perfectly</p> <p>fulfilling its intention</p> <p>“and it is good” fulfilled</p>
<p>therefore not:</p> <p>I am revealing I am impelling I am projecting’I am expressing’I am thrusting I am determining</p> <p>or</p> <p>there is no spontaneous impulsion in Being</p>	<p>therefore not:</p> <p>I know what is right and wrong I am determining the true facts I am determining the true form</p> <p>or</p> <p>that a non-truth can be brought forth</p>	<p>therefore not:</p> <p>that what I create will be successful</p> <p>that what is being brought for the can be unsuccessful or a disappointment</p> <p>that I’ve missed the boat</p> <p>no success frustration</p>
