

As in Adam All Die

The Solo Committee

Adam, where are you?
Have you fallen from grace?
Have you eaten the apple of sin?
When you look to the body for pleasure find pain,
Turn again to the kingdom within
As in Adam all die, so in Christ shall all live
there's no Adam, just Christ,
just one man, the one that God gives

Eve, where are you?
Were you tempted by want?
Are you filled with guilt and with shame?
Did you fall for the lie that there's evil and good?
Turn again to the oneness I am,
as in Adam all died, so in Christ shall all live
there's no Adam, just Christ,
just one man, the one that God gives

Child, where are you?
Were you born of the flesh?
Are you destined to struggle and cry?
Are you saddled with weakness that ancestors had
turned to life and away from this life?
As in Adam will die, so in Christ shall all live,
there's no Adam, just Christ,
just one man, the one that God gives

Stand fast in liberty
Christ has made us free
Be not entangled with bondage
Turn again to your innocence sea
As in Adam all die, so in Christ shall all live
there's no Adam, just Christ,
just one man, the one that God gives
Just one man, the one that God gives.
