

Abide in Me

Music by The Solo Committee

I am faithful and I'm calling you to fellowship in Christ,
your joy is full as the boundless sea in the knowledge I am life
Abide in me
Abide in me
As the branch in the vine, as the Son in the Father forever one
You are always mine

I am the light and you are the shine, there is no darkness in us
My constant companioning self delight, my holy selflessness.
Abide in me
Abide in me
As the branch in the vine, as the Son in the Father forever one
You are always mine

You are my beloved one, I am pleased with you
There is nothing I would change
You're perfect through and through
Abide in me
Abide in me
As the branch in the vine, as the Son in the Father forever one
You are always mine

Listen to the voice you've always heard that's always voicing good
Nothing comes between us child, and nothing ever could
You are my beloved one
I am pleased with you
There is nothing I would change
You're perfect through and through
Abide in me
Abide in me
As the branch in the vine, as the Son in the Father forever one
You are always mine

As the Son in the Father forever one
You are always mine
