White Lion - Cry For Freedom

The fire is burning
We lay our weapons down to rest
This war ain't over
'till all the people will be free

Straight from our hearts we cry
This war has stolen too many lives
Cause for the sake of freedom we
Will die
Our songs will carry on

Oh lord we try, we try
To keep our dream alive
And voices will be heard
All around the world

So stand up and cry for freedom
And keep the dream alive
Yeah, stand up and cry for freedom
And keep the dream alive

Our brothers in prison
But no crime was ever done
I call it racism
Ashamed I face my fellow man

The children are taken away
And families destroyed
And millions have died from starvation
We can't go on this way

Oh lord we pray , we pray
That maybe soon someday
The world will smile again
And they shall be released

So stand up and cry for freedom

And keep the dream alive
Yeah, stand up and cry for freedom
And keep the dream alive

So stand up and cry for freedom
And keep the dream alive
Yeah, stand up and cry for freedom
And keep the dream alive

Bridge

So stand up and cry for freedom
And keep the dream alive
Yeah, stand up and cry for freedom
And keep our dream alive

So stand up and cry for freedom
And keep the dream alive
Yeah, stand up and cry for freedom
And let 'em know that we are here

Oh no, we can't go on this way
And we will never give up
Fighting for freedom
Yeah, and we will keep this dream alive
