

# THE TRUTH ABOUT JESUS AND THE CRUCIFIXION

Jesus accomplished an array of many successes unmatched by anyone up to his day. Why would the “Christian” churches focus on one event that has been misinterpreted for their entire existence. Memorializing it with statues and jewelry.

A few of the successes:

1. Healed every problem that was presented to him;
2. Lived impersonalized Love, the Love that was God - He loved all mankind;
3. Condemned only evil, not personalities;
4. Never forgave evil but destroyed it;
5. Accepted the crucifixion as a necessity to prove God was his life and not matter;
6. Stated in advance he would only be experiencing the grave for three (3) days;
7. Resurrected to prove nothing can destroy Truth, the truth he exemplified;
8. Moved the rock covering the tomb in which he was placed without material tools;
9. Did not even condemn the 11 disciples that were traitors as he only knew love;
10. Perfected human existence relying on God for is every need;
11. Was humble and stated that he was NOT God or even Good but only his Father; God was God and also Good;
- 12a. Mastered belief of limitation in feeding 4,000 men plus women and children;
- 12b. Mastered belief of limitation in feeding 5,000 men plus women and children;
- 12c. Including women and children an estimated total fed would be about 45,000;
13. Overcame belief of life, truth, and intelligence in a material existence by ascending.
14. Came back in the flesh to meet with St John, his disciple, on the Island of Patmos to dictate the book of Revelation to state among other things that we need to put off the old belief of man and put on the new facts of being which includes heaven on earth, right where we all are at this moment and every moment and it is omnipresent.

Does this jog the memory of anyone to see how utterly ridiculous it is to focus on a 3-day event that delivered an everlasting message of success instead of the grim tragedy which was really the almost universe full of traitors and in particular everyone that should READ THE WORDS in the Bible by him and others that witnessed the list above. THE TRAITORS and LACK of UNDERSTANDING JESUS is the real tragedy- NOT a 3-day experience he accepted as a challenge to prove his mission in his ministry.
