

Man #8 ~ Atonement and Eucharist

Science and Health ~ Chapter 2

1. Definitions, Quotes & Summaries

2. The three introductory quotes to science and health are as follows:

- a. Ye shall know the truth, and the truth shall make you free. — John viii. 32
- b. There is nothing either good or bad, but thinking makes it so. — Shakespeare
- c. Oh! Thou hast heard my prayer; And I am blest! This is Thy high behest: — Thou here, and everywhere. — Mary Baker Eddy
- d. The first two verses set the stage. We have to be anchored in Truth. We have to realize that what we think about something is what we experience....
