2. Genesis 1:26-27 ~ King James Version (KJV)

And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.
So God created man in his own image, in the image of God created he him; male and female created he them.

3. Scientific Statement of Being ~ SH 468

There is no life, truth, intelligence, nor substance in matter. All is infinite Mind and its infinite manifestation, for God is All-in-all. Spirit is immortal Truth; matter is mortal error. Spirit is the real and eternal; matter is the unreal and temporal. Spirit is God, and man is His image and likeness. Therefore man is not material; he is spiritual. [SH 468]

4. Lord's Prayer ~ SH 16-17

Our Father which art in heaven,
Our Father-Mother God, all-harmonious,

Hallowed be Thy name.
Adorable One.

Thy kingdom come.
Thy kingdom is come; Thou art ever-present.

Thy will be done in earth, as it is in heaven.
Enable us to know,— as in heaven, so on earth,
God is omnipotent, supreme.

Give us this day our daily bread;
Give us grace for to-day; feed the famished affections;

And forgive us our debts, as we forgive our debtors.
And Love is reflected in love;

And lead us not into temptation, but deliver us from evil;
And God leadeth us not into temptation, but delivereth us from sin, disease, and death.

For Thine is the kingdom, and the power, and the glory, forever.
For God is infinite, all-power, all Life, Truth, Love, over all, and All.

5. Diapason of Heaven for All 7 Terms for God

1 of 7 MIND

Declare often:

Divine Mind is my Mind and my Mind is God.

God is my Mind and my Mind is good. I have an intelligent Mind, a good Mind, a wise, perceptive, discerning Mind, a clear Mind, a joyous, happy Mind.

Mind is God, all-acting, all-wise, all-loving, all-knowing, all-seeing.

Divine Mind is enthroned in my consciousness. Mortal mind and matter and personal sense are not enthroned. Ignorance and apathy and materiality are not enthroned in my consciousness. Good is my Mind and my Mind is good.

Mind is my God and my Mind is good. Divine Mind is enthroned. This is the Word of God.

I have understanding; I have faith; I have spiritual consciousness; I have all there IS. There is no consciousness apart from God, and I am at one with God.

There is no mind to create evil or matter. You must gain the assurance that a good Mind is the only Mind.

6. The Secret Healing ~ Article by Mary Baker Eddy

I have learned a great secret.

I have learned how to demonstrate, I have learned how to make Science a thing of life, not of words.

I am going to tell you what the secret is, and it is wonderful.

It is this: Not to see or hear or repeat any kind of imperfection.

It is seeing and hearing and repeating good only, at all times and under all circumstances, and in spite of everything that appears to the contrary.

I make this resolve every morning, when I first open my eyes, and I renew it every hour of the day.

I see perfection in myself in my friends, in my so-called enemy, in my affairs and in world affairs.

I take my radical stand for the perfection of God and everything and for everything and everybody He has created. I look upon the world with God's eyes and see it just as He sees it, and I refuse to see it in any other way.

I stop a dozen times a day, and renew the resolve, and make sure that I am not repeating error or giving way to criticism. I watch my thoughts about people, the lame, the old, the unloved to sense that I pass in the street, stray animals, I except nothing. I have taken my radical stand for perfection and I will not, absolutely will not, relax this perfect standard.

The result has been simply marvelous. Try it and you will find that you forget your glasses; they will become unnecessary.

You will be seeing with God's eyes, His perfect sight, and you will behold a perfect universe, the outward condition of your inward thinking. To change the picture you must change the sight that produced the picture.
