

Christian Science Hymnal  
Hymn 2

A Glorious Day is Dawning

A glorious day is dawning,  
And o'er the waking earth  
The heralds of the morning  
Are springing into birth.  
In dark and hidden places  
There shines the blessed light;  
The beam of Truth displaces  
The darkness of the night.

The advocates of error  
Foresee the glorious morn,  
And hear in shrinking terror,  
The watchword of reform:  
It rings from hill and valley,  
It breaks oppression's chain.  
A thousand freemen rally,  
And swell the mighty strain.

The watchword has been spoken,  
The light has broken forth,  
Far shines the blessed token  
Upon the startled earth.  
To hearts and homes benighted  
The blessed Truth is given,  
And peace and love, united,  
Point upward unto heaven.
