

5 of 7 LIFE - DIAPASON OF HEAVEN

Life is holy. We must hallow this word, for it is a sacred name for God.

Declare often: There is only one Life, and that is God. There is no personal life. My life is God, an infinite, incorporeal, all-encompassing, all-present, all-active, everlasting Life.

Declare that God, good, is the only Life of man and the universe. Life is divine. Divine Life is my God and my God is Life. Life is enthroned in my consciousness. This is the Word of God.

Declare all the truths about Life. Claim this revealed Life as yours. All of Life is right where you are right now.
